DVN INDIA LIGHTING WORKSHOP
INDIAN LIGHTING MARKET, THE RISING STAR

October 28 and 29, 2026
Hyatt Regency Gurugram, Delhi area

Topics we will address passenger cars, commercial vehicles, 2/3 wheelers and trucks/bus:
- Lighting for Safety, including Performance, ADB & Glare control
- Cost efficient projection system to enhance safety
- Design
- Optical design innovation
- Indian Software development
- Testing
- Interior lighting
- Leader round table and regulation round table

For more information:
Rugved Khati – Marketing Coordinator: rkhati@drivingvisionnews.com
Emilie Bonnet – Marketing & Communication Director: ebonnet@drivingvisionnews.com

EXHIBITION RATES

	SMALL	STANDARD	XXL	SUPER SPONSOR
Booht size (m^2)	5	10	15	25
Invitation	3	5	8	10
VIP table	No	No	Yes	Yes - 1st Row
Private room	No	No	-1000 €*	Yes
Price (€)	4.200	7.800	11.000	14.000

**depending on availability*

PROGRAM DAY 1
OCTOBER 28, 2026

DVN Lighting

7:30 am **REGISTRATION AND COFFEE**

9:30 am **DVN INTRODUCTION** – Paul-Henri Matha, DVN CEO

9:30 am **KEYNOTE SESSION**

Maruti Suzuki India Ltd. – Tarun Aggarwal, Senior Executive Officer, Engg.

Tata Motors PV Ltd. – Sven Patuschka, CTO, TMPV and TPEM

Lumax Industries Ltd. – Deepak Jain, Chairman and Managing Director

DISCUSSION WITH DVN CEO

11:00 am **COFFEE BREAK & EXHIBITION INAUGURATION**

11:30 am **NEOLITE ZKW Lightings Ltd.** – Rajesh Jain, Managing Director

Varroc Engineering Ltd. – Dhruv Jain, Whole-time Director & CEO Business-II:
• *Brilliance at Scale: Rethinking China as Varroc's Innovation Advantage*

FIEM Industries Ltd. – Rajesh Sharma, Joint Managing Director:
• *Where Design meets the Mold and vision becomes Reality*

Uno Minda Ltd. – Todd Morgan, CTO - Lighting Division

PANEL DISCUSSION

1:00 pm **LUNCH BREAK**

PROGRAM DAY 1
OCTOBER 28, 2026

DVN Lighting

2:30 pm **LEADER'S ROUNDTABLE** – Moderator: ET Auto

Lumax Industries Ltd. – C. S. Singh, CTO

ams OSRAM – Avinder Singh, Managing Director

Maruti Suzuki India Ltd. – Tarun Aggarwal, Senior Executive Officer, Engg.

Tata Motors PV Ltd. – Sven Patuschka, CTO, TMPV and TPEM

Varroc Engineering Ltd. – Dhruv Jain, Whole-time Director and CEO, Varroc Business II

NEOLITE ZKW Lightings Ltd. – Rajesh Soni, CEO

Uno Minda Ltd. – Todd Morgan, CTO, Lighting Division

DVN – Wolfgang Huhn, DVN Senior Advisor and GTB President

FIEM Industries Ltd. – Rajesh Sharma, Joint Managing Director

3:15 pm **SESSION 1 – LIGHT SOURCES & COST-EFFECTIVE SOLUTIONS**

Lumileds Commercial India Private Ltd. – Dr. Wolfgang Schiene, Sr. Dir. Product Management – L2 Automotive:
- *Scaling Modular Light Sources across Front-Lighting Applications*

ams OSRAM – Stefan Herold, Director of Business Development, Automotive:
- *XLS/XLM LED Modules Enable the 6R Strategy: How UN Regulation No. 128 and ARAI Create Customer Value*

Nichia Chemical India Pvt Ltd. – Hiroaki Kuroda, Manager Automotive business unit:
- *Illuminating Excellence Through Nichia LED Technology*

Seoul Semiconductor Co., Ltd. – K. S. Surya Darshan, Sales Director:
- *Powering the Future of Automotive Lighting with Seoul Semiconductor WICOP Technology*

Refond Optoelectronics – Felix Zhang, International Technical Support Manager:
- *Optics Beyond Boundaries: Light for Every Scene*

Brightek – Deepak Kumar, India Country Manager:
- *Precision Control, High Integration: Next-Gen LIN RGB Lighting*

4:15 pm **COFFEE BREAK**

PROGRAM DAY 1
OCTOBER 28, 2026

DVN Lighting

4:45 pm **SESSION 2 – 4W TIER1 PROPOSAL TO IMPROVE SAFETY, DESIGN & BE COST COMPETITIVE**

Marelli Motherson Lighting India – Dhanesh C V, Area Manager (Optics):
- *Enhanced safety, featured by modern ADB functionality with focus on costs and styling.*

Lumax Industries Ltd. – Mikul Bedi, VP and Head of Business Engineering – 4W:
- *End to End Technology*

NEOLITE ZKW Lightings Ltd. – Amardeep Singh:
- *Cost-Effective Solutions in Automotive Lighting: Engineering Value Without Compromising Performance.*

Varroc Engineering Ltd. – Jeneeson Jeevamani, Head Engineering - Lighting 2W & 4W:
- *Lighting as a Strategic Lever: Driving Innovation, Cost Competitiveness, and Faster Time-to-Market*

Uno Minda Ltd. – Petr Žabka, CoC Projector Mechanics Lead:
- *Scalable ADB for India: Cost-Effective Technology for Safer Roads*

FIEM Industries Ltd. – Lalit Ahuja, Sr Vice President R&D:
- *Beyond Illumination – Intelligent, Safe and Cost-Efficient*

KK LIGHTING INDIA PVT. Ltd. – Dr. Gaurav Bhatia, Vice President- R&D:
- *Cost-Effective LED Lighting Solutions for India's Diverse Mobility Segments*

EDAG India Private Ltd. – Jannes Alexander Buthmann, Global Head of Lighting & Display Systems:
- *Remote-Phosphor Rear Lamp*

Q&A

6:15 pm **REGULATION ROUND TABLE**

The Automotive Research Association of India (ARAI) – Dr. B. V. Shamsundara, Senior Deputy Director

International Centre for Automotive Technology (ICAT) – Dr. Madhusudan Joshi, Head of Technology and Business

GTB – Davide Puglisi, Secretary General:
- *GTB & GRE Overview*

GTB – Wolfgang Huhn, President

Lumax Industries Ltd. – Dinesh Kalra, CTO

7:00 pm **COCKTAIL & DINNER**

PROGRAM DAY 2
OCTOBER 29, 2026

DVN Lighting

7:30 am **REGISTRATION AND COFFEE**

8:30 am **DVN** – Hans-Joachim Schwabe, Senior Advisor:
• *Outlook on the Indian Economy and Automotive Lighting Market*

8:50 am **2W KEYNOTE SESSION**

Ather Energy – Bikash Jyoti Biswas, Head of Design:
• *No Engine Noise? Let the Lights Do the Talking.*

KISKA – Dinesh Raman, General Manager

DISCUSSION WITH DVN CEO

9:45 am **COFFEE BREAK**

10:15 am **SESSION 3 – 2W**

TVS Motor Company Ltd. – John Paul Xavier - Deputy General Manager - R & D, Design and K. Shanmukha Pradeep - Deputy General Manager - R & D, Design:
• *The Art of Performance Lighting*

Etendue Lighting Co., Ltd. – Sun Gu Kang, Co-founder:
• *Standardized Modular Projector Light Engines for Compact 2W and 4W Headlamp Development*

FIEM Industries Ltd. – Giuseppe Coppola, Head - FIEM Research and Technology Italy:
• *One Lighting Vision, Two Worlds, One Bridging 4W and 2W Lighting Technologies for Next-Generation Mobility*

Lumax Industries Ltd. – Sanjeev Sharma, VP and Business Engineering Head – 2W & FES:
• *Source to Road Lighting Technology*

Varroc Engineering Ltd. – Dinesh Singal, Product Head - Lighting 2W:
• *The Bright Journey - Evolution of 2W lighting in India and Varroc's Pioneering spirit*

Uno Minda Ltd. – Gulshan Gandhi, SVP- 2W Product Development Head:
• *Advancing Automotive Meeting Emerging Challenges*

PANEL DISCUSSION

PROGRAM DAY 2
OCTOBER 29, 2026

DVN Lighting

11:30 am **SESSION 4 – GLARE SESSION**

Maruti Suzuki India Ltd. – Rahul Kumar - Deputy General Manager and Harsh Rawat - Deputy Manager:
• *Glare from Automotive Lighting*

Uno Minda Ltd. – Balaji Doppalapudi, Senior Product Engineering Team Leader:
• *Glare Beyond Compliance: Why Drivers Still Experience Glare in Modern Lighting Systems*

ams OSRAM – Kent Kim, Principal Specialist, Marketing – OS MIL Marketing Mobility APAC:
• *A Guide to Permanent Glare-Free Maximum Visibility and Beyond: Illuminating the Road*

Techno Team and LMT – Stephen Dahle, Board member & Sales Director:
• *Homologation of Edge-to-Edge Exterior Fixtures: New Goniophotometric Strategies at the Component and Vehicle Level*

AML – Marc Ghio, Director Business Development:
• *Anti-Glare Solution for India*

GTB – Davide Puglisi, Secretary General

International Centre for Automotive Technology (ICAT) – Dr. Madhusudan Joshi, Head of Technology and Business

DISCUSSION

12:30 pm **LUNCH BREAK**

1:30 pm **SESSION 5 – DESIGN, MATERIALS AND INNOVATION SESSION**

Tata Motors Design – Ajay Jain & Salil Kulkarni, Ajay Jain - Head of India Design Studio; Salil Kulkarni - Head of Global Design Operations:
• *Sierra and Sierra EV Design Release*

Lumax Industries Ltd. – Slawomir Miciak, Head of New Technology and Innovation:
• *New Technology*

NEOLITE ZKW Lightings Limited – Sushil Sigh and Amardeep Singh:
• *Eco-ADB: Making Adaptive Driving Beam Accessible for India*

BrightView Technologies, Inc. – Michael Murphy, Chief Commercial Officer:
• *Computational Optics: Ultra Slim & Sustainable Automotive Lighting*

Covestro India – Divakar Gokhale, Head of Mobility (Indian Sub-continent) and Head of Business Development (Indian sub-continent):
• *The Material Effect – Automotive Lighting re-imagined.*

Niebling GmbH – Udo Weustenhagen, Director of Sales and Marketing:
• *High-Pressure Forming for Film Insert Moulding of Illuminated Interior and Exterior Components*

Huaju – Alex Jia, VP and Project Director:
• *Advanced Glass Based Materials for Automotive — New Design Possibilities for Vehicle Aesthetics*

Nordson India Private Ltd. – Anand Gudi, Market Manager - PA South Asia:
• *Smart Bonding Technologies for Next Generation Automotive Lamps or Lighting*

Tata Motors Passenger Vehicles Ltd. – Santosh Dash - Deputy General Manager and Chandu Manohar - Senior Manager:
• *Effectiveness of Desiccant Bags in Mitigating Automotive Lamp Condensation*

PROGRAM DAY 2
OCTOBER 29, 2026

DVN Lighting

3:00 pm **COFFEE BREAK**

3:30 pm **SESSION 6 – SDV & EE SESSION**

Accenture India – Srinivasa Prasad M. N., Associate Director – SDV:
• *AIDV*

Marelli Motherson Lighting India – Narasimhulu Salibilla:
• *Marelli's vision for Lighting Electronic transformation including Software fit for future*

Lumissil Microsystems – Ravindra Nikate, Assistant Country Manager:
• *Lighting the Future of Mobility*

DOMINANT Opto Technologies Sdn. Bhd. – Max Tey Wen Ann, Product Marketing Manager:
• *Software-Defined Vehicles with seddLED*

FIEM Industries Ltd. – D. C. Gupta, President and CTO Electronics:
• *Upcoming Automotive Lighting Technology Trends and Strategies for Adapting to the Evolving Development Ecosystem*

NEOLITE ZKW Lightings Ltd. – Sachin Joshi, Vice President – Electronics:
• *Modular Electronic Design to optimize LDMs.*

4:30 pm **SESSION 5 – NEW WAYS OF WORKING, FASTER DEVELOPMENT AND AI SESSION**

Tata Motors Passenger Vehicles Ltd. – Siraj Varikkodan, General Manager – Heading the development of Lighting Systems and Body component Electronics:
• *The Race Against Time: Reimagining Automotive Lighting Time-to-Market*

Ansys (part of Synopsys) – Shitalkumar Joshi, Senior Director, Application Engineering - India & ASEAN:
• *The Future of Lighting Engineering: Where AI Meets Simulation*

EDAG India Private Ltd. – Jannes Alexander Buthmann - Global Head of Lighting & Display Systems and Vivek Punde - Manager – Body Engineering:
• *100 Days – 100 Weeks: The EDAG Global Lighting Delivery Model*

Keysight Technologies – Tobias Schmid, Technical Product Management, Director:
• *Virtual Prototyping Solutions for Faster Automotive Lighting Developments*

United Visual Researchers – Thomas Labardens, CCO:
• *Accelerating Lightguide Rendering with Predict Engine*

5:30 pm **CLOSING**
