- **A** “Strategic Advisory Group” (SAG) is needed for providing guidance on strategic issues and also responding to ideas and different opinions from interesting parties inside or outside of CASIC (Geneva).
- **The** needs from Members and interesting parties are diverse, about 30-50 experts in different technical fields need to be organized, and a working platform is also needed.

- CASIC (Geneva)正致力于建立技术工作组、战略咨询组，以便会员、观察员及伙伴参与相关事务，同时CASIC (Geneva)正在建立工作平台和组织各领域的技术专家。

Opportunities

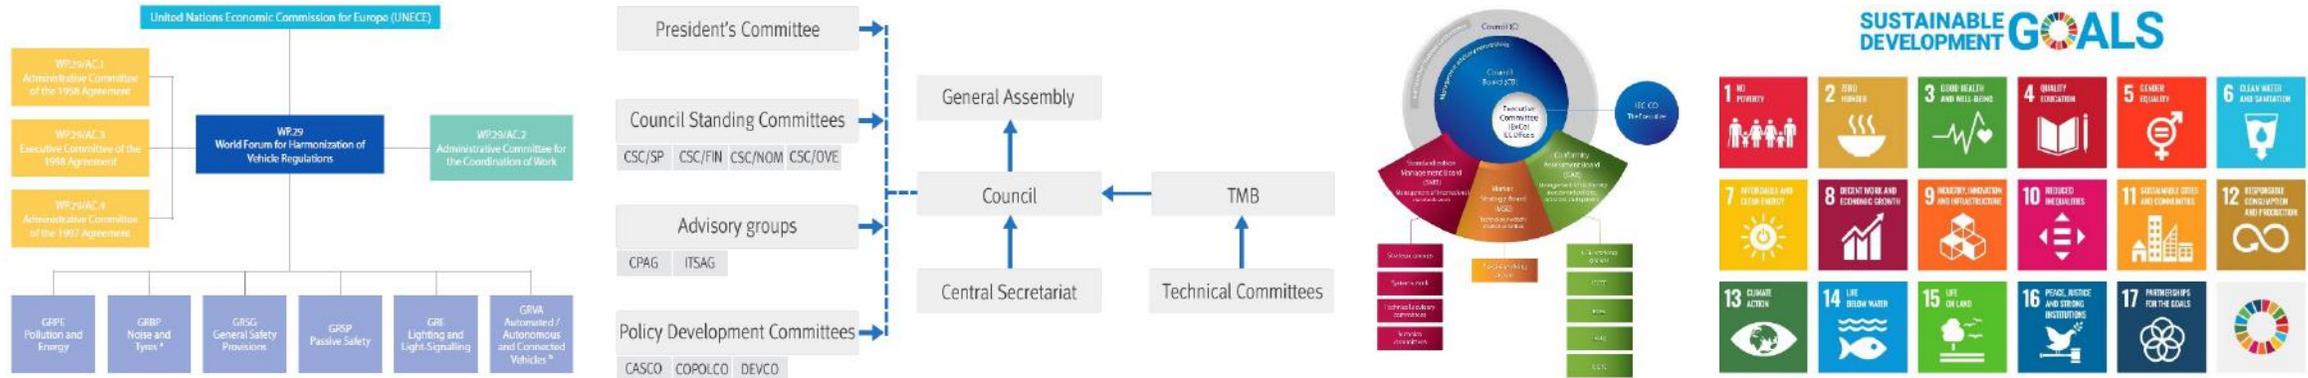

- **The** work principal of CASIC (Geneva) is collaborating, building and sharing together. The Committee and Secretariat of CASIC (Geneva) have rich experiences on standards internationalization, certification, testing, and research etc.. CASIC (Geneva) will keep focusing on the new standards like Autonomous & Connected Vehicles and Electric Vehicles.
- **Geneva** is the headquarters of a huge number of international organizations, which provides opportunities for CASIC (Geneva) to connect with other stakeholders like the EU, ITU, GTB, OICA, CLEAP, JASIC (Geneva), KICAS (Geneva), industries etc.. All above are not only important for standardization and internationalization but also for the future businesses including certification, WTO/TBT, Geneva Auto Show etc..

- CASIC (Geneva)的工作原则是共商、共建、共享，具有丰富的标准国际化、认证、试验、研发等经验，并将继续聚焦智能网联和电动汽车等新领域。日内瓦聚集大量国际、行业、政府组织，为开展标准国际化及认证、贸易等更多相关工作带来潜力。

Challenges

- **Standards** internationalization involves a large number of stakeholders, and it requires abundant technique, researches, lots of face-to-face discussions and long-terms of negotiations. Geneva is still the best location for such works.
- **COVID-19** has changed the running orders of organizations, authorities and industries, what' s more, it is reshaping the society and relationship between human beings and nature. It will influence the future work of CASIC (Geneva) and the connections between stakeholders.

- 标准国际化工作以技术研发为基础，涉及大量的相关方，需要面对面交流和长期协调，新冠疫情改变了国际组织、政府和行业原有工作方式，正在改变社会、人、自然的关系，也将影响CASIC (Geneva)未来工作开展和相关方联系。
