# Why should your company join the DVN Interior Community?

DVN Interior Technology means HMI-Human Machine Interaction, Smart Surfaces, Safety and Driver Monitoring Systems, Interior Lighting, Comfort and Well-Being, Materials and Sustainability, Design, and much more.

The DVN Interior Community is a unique opportunity for your company to grow your Business through:

**DVN Technological watch** on new emerging technologies, with:

- weekly newsletters (available in English and in Chinese) bringing news, analysis, and crucial information on innovation in Interiors.
- monthly technical reports with sharp focus on cutting edge technologies, regulations, congresses, auto shows.

**DVN Promotion of innovations** from DVN's 240 (and counting!) member companies-we facilitate the promulgation of knowledge of innovation, which in turn paves the way for commercialisation, enabling to build new relationships through DVN Community to forge new business worldwide.

**DVN Workshops to meet** high-level decision makers, researchers, innovators, practitioners, academics, and regulators to make new business connections with three workshops per year in rotating locations throughout America, Europe, and Asia. DVN Workshops gather over 450 participants.

# **DVN Key Facts**

DVN is a reference in the world of Lighting, Driver Assistance Systems, and Interior comfort.
