DVN INDIA LIGHTING WORKSHOP

INDIAN LIGHTING MARKET, THE RISING STAR

October 28 and 29, 2026
Hyatt Regency Gurugram, Delhi area

Topics we will address passenger cars, commercial vehicles, 2/3 wheelers and trucks/bus:

- Lighting for Safety, including Performance, ADB & Glare control
- Cost efficient projection system to enhance safety
- Design
- Optical design innovation
- Indian Software development
- Testing
- Interior lighting
- Leader round table and regulation round table

Rugved Khati – Marketing Coordinator: rkhati@drivingvisionnews.com

Emilie Bonnet – Marketing & Communication Director: ebonnet@drivingvisionnews.com

EXHIBITION RATES

	SMALL	STANDARD	XXL	SUPER SPONSOR
Booth size (m ²)	5	10	15	25
Invitation	3	5	8	10
VIP table	No	No	Yes	Yes – 1 st Row
Private room	No	No	-1000 €*	Yes
Price (€)	4.200	7.800	11.000	14.000

**depending on availability*

PROGRAM DAY 1

OCTOBER 28, 2026

KEYNOTE SESSION

DVN – Hans-Joachim Schwabe, Senior Advisor:

- *Outlook on the Indian Economy and Automotive Lighting Market*

Maruti Suzuki India Limited – Tarun Aggarwal, CTO

Tata Motors Passenger Vehicles Limited (TMPV) – Sven Patuschka, CTO

Lumax Industries – Deepak Jain, Chairman and Managing Director

Neolite ZKW Lightings Limited – Rajesh Jain, Managing Director

Varroc Engineering Limited – Dhruv Jain, Whole-time Director and CEO, Varroc Business II

FIEM Industries Limited – Rajesh Sharma, Joint Managing Director

Uno Minda Limited – Todd Morgan, CTO, Lighting Division

LEADERS' ROUND TABLE

Lumax Industries – Dinesh Kalra, CTO

ams OSRAM India – Avinder Singh, Managing Director

Maruti Suzuki India Limited – Tarun Aggarwal, Senior Executive Officer and Head of Engineering

Tata Motors Passenger Vehicles Limited (TMPV) – Sven Patuschka, CTO

Lumax Industries – Raju B. Ketkale, CEO

Varroc Engineering Limited – Dhruv Jain, Whole-time Director and CEO, Varroc Business II

Neolite ZKW Lightings Limited – Rajesh Soni, CEO

Uno Minda Limited – Todd Morgan, CTO, Lighting Division

DVN / GTB – Wolfgang Huhn, DVN Senior Advisor and GTB President

FIEM Industries Limited – Rajesh Sharma, Joint Managing Director

SAFETY, LIGHT SOURCES AND COST-EFFECTIVE SOLUTIONS SESSION

Marelli Automotive Lighting & Sensing:

- *Enhanced Safety Enabled by Modern ADB Functionality, with a Focus on Cost and Styling*

Lumax Industries – Mikul Bedi, VP and Head of Business Engineering – 4W

Neolite ZKW Lightings Limited – Amardeep Singh

Lumileds India – Amrith Prabhu, Managing Director, India:

- *Cost-Efficient Projection Systems to Enhance Safety*

Uno Minda Limited

ams OSRAM – Stefan Herold, Director of Business Development, Automotive:

- *XLS/XLM LED Modules Enable the 6R Strategy: How UN Regulation No. 128 and ARAI Create Customer Value*

Nichia Corporation – Hiroaki Kuroda, Manager Automotive business unit:

- *Illuminating Excellence Through Nichia LED Technology*

Seoul Semiconductor Co., Ltd. – K. S. Surya Darshan, Sales Director:

- *Powering the Future of Automotive Lighting with Seoul Semiconductor WICOP Technology*

Refond Optoelectronics – Felix Zhang, International Technical Support Manager:

- *Optics Beyond Boundaries: Light for Every Scene*

DESIGN, MATERIALS AND INNOVATION SESSION

Tata Motors Limited – Ajay Jain, Head of India Design Studio and Salil Kulkarni, Head of Global Design Operations:

- *Sierra and Sierra EV Design Release*

Lumax Industries – Slawomir Miciak, Head of New Technology and Innovation

Neolite ZKW Lightings Limited – Sushil Singh and Amardeep Singh

BrightView Technologies, Inc. – Michael Murphy, CCO:

- *Aesthetic Exterior and Interior Lighting Using Computational Optical Films*

Covestro India – Divakar Gokhale, Head of Mobility (Indian Sub-continent) and Head of Business Development (Indian sub-continent):

- *Circular Solutions for Automotive Lighting*

Niebling GmbH Formtechnologie – Udo Weustenhausen, Director of Sales and Marketing:

- *High-Pressure Forming for Film Insert Moulding of Illuminated Interior and Exterior Components*

EDAG Group – Jannes Alexander Buthmann, Global Head of Lighting & Display Systems:

- *Remote-Phosphor Rear Lamp*

Huaju – Alex Jia, VP and Project Director:

- *Advanced Glass-Based Materials for Automotive – New Design Possibilities for Vehicle Aesthetics*

Nordson Corporation – Anand Gudi, Market Manager – PA South Asia:

- *Smart Bonding Technologies for Next Generation Automotive Lamps or Lighting*

Tata Motors Limited – Santosh Dash, Deputy General Manager and Chandu Manohar, Senior Manager:

- *Effectiveness of Desiccant Bags in Mitigating Automotive Lamp Condensation*

PROGRAM DAY 2

OCTOBER 29, 2026

2W KEYNOTE SESSION

Ather Energy – Bikash Jyoti Biswas, Head of Design

KISKA – Dinesh Raman, General Manager

DVN – Paul-Henri Matha, CEO:

- *Lighting Trends from 4W to 2W*

2W SESSION

TVS Motor Company Limited – John Paul Xavier, Deputy General Manager - R & D, Design and K. Shanmukha Pradeep, Deputy General Manager - R & D, Design:

- *The Art of Performance Lighting*

Etendue Lighting Co., Ltd. – Sun Gu Kang, Co-founder:

- *Modular LED Bi-Function Projector Platform for 2W and 3W Headlamps*

FIEM Industries Limited – Giuseppe Coppola, Head of FIEM Research and Technology - Europe

Lumax Industries – Sanjeev Sharma, VP and Business Engineering Head – 2W & FES

Varroc Engineering Limited

Uno Minda Limited

SDV & EE SESSION

Accenture – Srinivasa Prasad M. N., Associate Director – SDV

Marelli Automotive Lighting & Sensing :

- *Marelli's vision for Lighting Electronic transformation including Software fit for future*

Lumax Industries – Dnyaneshwar Gorde, Senior General Manager – Electronics

Neolite ZKW Lightings Limited – Sachin Joshi

Lumissil Microsystems – Ravindra Nikate, Assistant Country Manager:

- *Lighting the Future of Mobility*

DOMINANT Opto Technologies Sdn. Bhd. :

- *Software-Defined Vehicles with seddLED*

NEW WAYS OF WORKING, FASTER DEVELOPMENT AND AI SESSION

Tata Motors Passenger Vehicles Limited – Siraj Varikkodan, General Manager – Heading the development of Lighting Systems and Body component Electronics:

- *The Race Against Time: Reimagining Automotive Lighting Time-to-Market*

Ansys, part of Synopsys – Shitalkumar Joshi, Senior Director, Application Engineering – India and ASEAN:

- *The Future of Lighting Engineering: Where AI Meets Simulation*

EDAG Group – Jannes Alexander Butthmann, Global Head of Lighting & Display Systems and Vivek Punde, Manager – Body Engineering:

- *100 Days – 100 Weeks: The EDAG Global Lighting Delivery Model*

Keysight Technologies – Tobias Schmid, Technical Product Management, Director:

- *Virtual Prototyping Solutions for Faster Automotive Lighting Developments*

GLARE SESSION

The Automotive Research Association of India (ARAI) – Dr. B. V. Shamsundara, Senior Deputy Director

International Centre for Automotive Technology (ICAT) – Dr. Madhusudan Joshi, Head of Technology and Business

ams OSRAM – Kent Kim, Principal Specialist, Marketing – OS MIL Marketing Mobility APAC:

- *A Guide to Permanent Glare-Free Maximum Visibility and Beyond: Illuminating the Road*

LMT Lichtmesstechnik GmbH – Stephen Dahle, Board member & Sales Director:

- *Camera-Supported Photometry of Exterior Lighting at Component and Vehicle Levels*

AML

GTB – Davide Puglisi, Secretary General

PANEL DISCUSSION AND Q&A

REGULATION ROUND TABLE

The Automotive Research Association of India (ARAI) – Dr. B. V. Shamsundara, Senior Deputy Director

International Centre for Automotive Technology (ICAT) – Dr. Madhusudan Joshi, Head of Technology and Business

GTB – Davide Puglisi, Secretary General

GTB – Wolfgang Huhn, President

Lumax Industries – C. S. Singh, CTO
